Dear Friends in Christ,

Thank you so much for the sincere efforts you have been putting in to see to the completion of this project you have willingly embarked upon to help better the life of the people of Jangbunu community and the Catholic Diocese of Yola at large.

Like I stated in one of my letters , an update on the project will always be sent to you. Thus, from the pictures attached to this letter which you will receive soon, the project is nearing completion as the roofing has now been completed remaining painting and furnishing which we hope to complete by the middle of May all things being equal.

More so, on the 7th June, 2015 please God; we intend to dedicate the building and will be happy if some members from your Team would be in attendance. The people of St. Peter's Catholic Community Jangbunu and the Catholic Diocese of Yola will truly be fulfilled if this honor will be granted to them. Do inform me in good time the persons who would be delegated so that adequate preparations will be made for them to have a hitch free trip to Nigeria.

We most sincerely look forward to a favorable response to this our request as we continue to pray God to constantly bless and reward each and every member of your Team for the wonderful and unquantifiable sacrifices you are making for us and our people.

With every sentiments of appreciation, I remain,

A handwritten signature in black ink that reads "Mamza".

Most Rev. Stephen Dami Mamza
Catholic Bishop of Yola.
