ST.MARY'S CATHEDRAL ESSENTIAL CONSERVATION, ACCESSIBILITY, AND RENEWAL WORKS

St Mary's Cathedral, Marlborough Street, Dublin, will close temporarily from 17th August to allow essential conservation, accessibility and renewal works as part of the next phase in its development as the Cathedral of the Archdiocese of Dublin.

For 200 years the Pro-Cathedral, as it was known, has been the centre of Catholic life in Dublin. It has hosted major religious ceremonies and significant national events, from the funeral of Michael Collins in 1922 to the visit of Pope Francis in 2018. Last November, on its 200th anniversary, [Archbishop of Dublin, Dermot Farrell, announced that the Holy See had designated St Mary's the Cathedral for Dublin](#), placing it at the centre of the diocesan mission, looking in faith-filled and creative ways to the future.

See parish website for further details.
